

**United States-India Science and Technology Endowment Fund**  
"Commercializing Technologies for Societal Impact" IUSSTF

The governments of India (through the Department of Science & Technology) and the United States of America (through the Department of State) have established the United States - India Science & Technology Endowment Fund (USISTEF) for the promotion of joint activities that would lead to innovation and entrepreneurship through the application of science and technology. The Endowment Fund activities are implemented and administered through the bi-national Indo-US Science and Technology Forum (IUSSTF).

**CALL FOR PROPOSALS**

**Mandate**  
The fund aims to select and financially support promising joint U.S. - India entrepreneurial initiatives that address the theme of "Commercializing Technologies for Societal Impact" through a competitive grants program.

**Funding**  
Grant Size up to INR 2.50 Crores or approx. USD 400,000\*

\*All grants are awarded in Indian Rupees (INR) only and subject to prevailing exchange rate.

**We Invite**  
Bi-national Indo-U.S. teams of entrepreneurs and innovators with:  
• Innovative product or technology, beyond the idea stage  
• High societal impact  
• Significant potential to commercialize within 2-3 years

**Eligibility**  
• Proposals must include a minimum of one partner each from India and the U.S.  
• The Bi-national teams can include:  
I. Incorporated companies including start-ups; or  
II. Non-incorporated entities; or  
III. Individuals or consortia from academia, government laboratories non-government R&D institutions.

**Priority Areas**  
**Healthy Individual:** Supports the development of affordable biomedical devices, diagnostic / preventive / curative measures, or food and nutrition products to improve health.  
**Empowering Citizens:** Supports efforts to reduce the digital/technology divide. This could include information and communication technologies with societal impact in areas such as water, agriculture, financial inclusion, and education, among other areas.
